Current Position

2019-ongoing

Previous Position

2016-2019

2015-2016

Education

2023

2019

2016-2019

2018

2015

2013-2015

2010-2013

Professional skills

Professional skills

Study coordinator and data manager.

IRCCS Cancer National Istitute IFO – Regina Elena, Rome

PhD, Department of Biology and Biotechnology "Charles

Darwin"

University of Rome La Sapienza, Italy.

Technical Quality Control

Synteshis srl, Rome

Clinical Research associate – certification – DM 15.11.2011

Education Course in "Clinical Research Monitor Training"

Ph.D. in Cell and Development Biology,

Department of Biology and Biotechnology "Charles Darwin"

University of Rome La Sapienza, Italy

Education Course in Microbiome analysis-BRM genomics

Qualification to exercise the Profession of Biologist

University of RomaTre, Italy

Master degree in Genetics and Molecular Biology, 110/110

cum laude University of RomaTre, Italy

Bachelor degree in Biology, University of RomaTre, Italy.

Monitoring clinical trials • Monitor certificate (Italian Decree 15 Nov 2011) • Study start up - Ethical review • eCRF • Drug accountability • GCP • National and European laws •

Compassionate Use/Expanded access • Oncology trials

Microbiology and Molecular biology • bacteria culture and sterilization techniques • biological and chemical test • DNA cloning and RNA extraction, DNA sequence analysis, real-time PCR, generation of deletion mutants, protein expression and purification, PAGE and Western blot • Sterile

manufacturing • GMP, annex 1, European Pharmacopeia• Write and review the standard operating procedures (POS)

Software Excellent knowledge of Excel, Power Point, Word, Outlook

and Adobe Photoshop • excellent knowledge of molecular

biology and statistic tools

Languages Italian (Mother Tongue) and English (Understanding: B2

Level; Writing: B2 Level, Speaking: B2 Level).

Travelling • Science • Art • History

Soft Skills Outgoing personality, with good customer service and listening

skills • Ability to knowledge quickly and detail-oriented • Loyal, proactive, confident, flexible, team player and able to deal in a mature manner with problem solving • Extensive knowledge of all aspects of drug development, GCP and regulations • Successful experience working in a matrix team environment to deliver solutions without directly 'owning' all the staff or solution delivery functions • Understanding of marketing principles and strategies. • Adequate and sound knowledge in pharmaceutical development • European Driving
