CURRENT POSITION

Univers-	EPR	Ente rise
C] Full professor	X Research Director and 1st level Technologist / First Researcher and 2nd level Technologist Principal Investigator	C] Management Level
Associate Professor	CI Level III Researcher and Technologist	a Mid-Management Level
Researcher and Technologist of IV, V, VI and VII level / Technical collaborator	12 Researcher and Technologist of IV, V, VI and VII level / Technical collaborator	Employee / worker level

WORK EXPERIENCE

From 1983 To 1986

From July 2022	Group leader and Senior Scientist Institute for Endocrinology and Experimental Oncology "G. Salvatore", National Research Council, Naples, Italy.
From Dec 2019 To June 2022	Director of the Department of Biomedical Sciences National Research Council, Rome, Italy.
From Nov 2018 To Nov 2019	Director of Research (Principal Investigator) Institute of Biochemistry and Cell Biology, National Research Council, Naples, Italy.
From 2009 To 2018	Director of the Institute of Protein Biochemistry National Research Council, Naples, Italy.
From 2010 To 2016	President of the National Research Council Research Area NAI Ma Pietro Castellino 111, Naples, Italy
From 2004 To 2009	Director for Research & Development "Mario Negri Sud" Institute, S. Maria Imbaro (Chieti), Italy. Co-founder of TIDID (Telethon Initiative for the Discovery of Drug targets).
2004	Head of the Department of Cell Biology and Oncology "Mario Negri Sud" Institute, S. Maria Imbaro (Chieti), Italy.
From 1996 To 2003	Head of the Laboratory of Cell Regulation "Mario Negri Sud" Institute, S. Maria Imbaro (Chieti), Italy. <u>Research field</u> : signal transduction, ADP-ribosylation, G-protein mediated signalling, lipid metabolism, cell biology.
From 1988 To 2009	Co-founder of the Consorzio Mario Negri Sud S. Maria Imbaro (Chieti) Italy
1987	Chief of the Research Unit on Cell Regulation "Mario Negri" Institute for Pharmacological Research, Milano, Italy. <u>Research field</u> : signal transduction, TSH and thyroid hormone action, G-protein mediated signalling.
August 1987	
From 1986 To 1988	Fogarty Visiting Fellow

	May/June 1980	2013-2017			Since 2017
	From 1979 To 1983				Since 2017
				Laboratory of Biochemistry and Metabolism, National Institute of Diabetes, and Digestive and Kidney Diseases, National Institute of Health, Bethesda, Maryland, USA.	
	From 1973 To 1977			<u>Research field</u> : biochemistry, Signal transduction, TSH and thyroid hormone action.	
EDUCATION	AND			Visiting PhD student, Kernforschungsanlage, Institute fur Neurobiologie, Julich, Germany	
TRAINING				<u>Research field</u> : mechanisms of rhodopsin photoactivation.	
	19			Ph.D. Student	
	84			Department of Membrane Research, the Weizmann Institute of Science. Rehovot, Israel.	
	From 1979 TO 1983			<u>Research field</u> : membrane biology and biophysics.	
	19			First degree Student (laurea)	
	77			Faculty of Biological Sciences, University of Perugia, Italy.	
	From 1973 To 1977			PhD in Life Sciences, the Weizmann Institute of Science, Rehovot, Israel.	
PERSONAL SKILLS				Ph.D. Student, Department of Membrane Research, the Weizmann Institute of Science. Rehovot, Israel. Research field: membrane biology and biophysics.	
	Mother Tongue				
	Other language			Laurea in Biological Sciences, Summa cum Laude. University of Perugia, Italy.	
				Studies for Laurea the pre-doctoral Degree in Biological Sciences, University of Perugia, Italy. Research field: photochemistry and biophysics.	
COMMUNICATION					
SKILLS				Italian	
	1978-1979			English, full professional proficiency	
	1981			Teaching activities	
	1987			Part-time Teaching Assistant for the Practical course of Physical Chemistry, Department of Chemistry, University of Perugia, Italy.	
	1989			Assistant for the course on "Biological membranes", Graduate Feinberg School of the Weizmann Institute of Science, Rehovot, Israel.	
	1991			Lecture course on "Molecular mechanisms of Signal transduction", PhD School on "Endocrinology and Metabolism", Federico II University, Napoli, Italy.	
	1991-1992			Lecture course on "Regulatory mechanisms of adenylyl cyclase" PhD School on "Cellular and Molecular Biology, Milano University, Milano, Italy.	
	1992			Lecture course on "Signal transduction in normal and cancer cells" Medical School, Postgraduate School in Oncology, Catholic University "Sacro Cuore", Rome, Italy.	
	1991-2005			Lecture course on "General Pathology II: Signal transduction mechanisms regulating cell proliferation" (Adjunct Professor), Medical School, University of Chieti, Chieti, Italy.	
				Lecture course on "G protein regulation in normal and ras-transformed cells" PhD School in Experimental Medicine, Perugia University, Perugia, Italy.	
	1997-2009			Lecture course on "Molecular Pathology, Cellular Kinetics and Metabolism" (Adjunct Professor), Medical School, Post-graduated-Specialty School in Oncology, Catholic University "Sacro Cuore", Rome, Italy.	
	2009-2013			Faculty member of the PhD programme of the Open University (UK) at "Mario Negri Sud"	

Institute, S. Maria Imbaro (Chieti), Italy, supervised 9 PhD Students; examined 2 Students. Faculty member of the PhD programme of the Open University (UK)

at Telethon InstituteTIGEM, Naples, Italy, supervised 4 PhD Students; 13 PhDs completed.

Supervisor, Joint International Doctorate programme of the Institute of Protein Biochemistry, CNR and the "Luigi Vanvitelli" University of Campania; supervised 4 PhD/Doctorate Students. Co-Supervisor of the joint PhD programme of the Open University (UK) and the Marine Station "Anton Dohrn", Naples, Italy.

Member of the Faculty Board of the PhD programme in Science and Technology for Humans and the Environment of the Campus Bio-Medico University Hospital, Rome, Italy.

~~Since 1986 Invited Lecturer at several PhD courses and post-graduate Medical Schools~~

2/7

Since 1986 Science Communications

Invited speaker at several national and international workshops and congresses, invited lecturer at International Universities and Research Centers (see Presentations). As director of the Department of Biomedical Sciences, organizer and promoters of Departmental Conferences, seminars, inter institutes scientific programs.

Since 2000 Science policy and dissemination activities

Invited speaker and for discussant in numerous "career in science" and "gender balance awareness" events at the national and international levels as expert and member of relevant committees in FP6, FP7 and H2020 or in scientific organizations (i.e., ELSO, FEBS, EMBO). Also invited speaker as Italy's Delegate for ERC, MSCA and FET programs to national activities related to the launch of these programs, or presentations of the 1-12020 opportunities in high schools, universities, PhD and scientific associations. Speaker for science dissemination for the general public on behalf of Charities such as the Italian Association for Cancer Research (ARC), Telethon (the charity dedicated to genetic diseases), Italian Association for Multiple Sclerosis (AISM).

More recently, in the capacity of director of the Department of Biomedical Sciences at the CNR, the activities have been focused more on national science policies, with emphasis at the public and private research contributions to the development of the scientific community and the Nation, with participations at several related events. Activities as Italian delegate in H2020 included collaborations with the Agency for the Promotion of the European Research (APRE), with the EC or with national events.

Qualifications

2012 Qualified for the position of Director of the Department of Biomedical Sciences of the Italian National Research Council (CNR)

2014 Qualified for the position of Full Professor in Biology (BIO-13) by the Italian Ministry of Education, Universities and Research (MIUR).

2017 Qualified for the position of Director of the Department of Biomedical Sciences of the Italian National Research Council (CNR).

Honours and awards

1979-1983 Feinberg Graduate School Fellowship, the Weizmann Institute of Science, Rehovot, Israel

1983-1986 Fogarty Fellowship, The National Institutes of Health, Bethesda, USA

1997-2000 Member of the Council of the Italian Society of Cell Biology and Differentiation (ABCD)

Since 2000 Permanent Member of the European Molecular Biology Organization (EMBO)

- 2000-2003 Corresponding member of the WICB (Women in Cell Biology Committee) of the American Society for Cell Biology
- 2000 Founding member (and Chair until 2005) of the Career Development Committee (CDC) of the European Life Scientist Organization (EL-SO)
- 2000-2009 Member of the Council and of the Executive Board of the European Life Scientist Organization (ELSO)
- 2004-2007 Member of the External Advisory Group for the Human Resources and Mobility Programme, Framework Programme 6, European Commission
- 2004-2007 Member of the Advanced Courses Committee of the Federation of the European Biochemical Societies (FEBS) 2004-2008 Member of the Interregional Scientific Committee of the Italian Association for Cancer Research (ARC)
- 2007-2008 Member of the External Advisory Group for the People Programme, Framework Programme 7, European Commission
- 2007-2008 Member of the Expert group "Realising a single labour market for researchers" (ERA), Framework Programme 7, European Commission
- 2007-2012 Member of the FEBS/EMBO award selection committee for the "Women in Science" Award
- October 2008 EMBO-Lecture at the WI National Congress of Biochemistry, University of the Azores, Portugal
- 2008-2010 Chair of the Working Group "Young Scientists' Forum" of the Federation of the European Biochemical Societies (FEBS)
- 2008-2010 Member of the Executive Committee of the Federation of the European Biochemical Societies (FEBS)
- 2009 To Date FP7 GenSET project — member of the Science Leaders Panel
- 2010 AIDDA (Association of Managers and Business Women) prize for Women in Science
- 2011-2014 Member of the Fellowship Scientific Committee of the Italian Association for Cancer

Research

2013-2020	Italian Delegate for Horizon 2020 (ERC, Marie Skłodowska-Curie Actions, Future and Emerging Technologies (FET)) and for the National Representative Board (NRB) of FLAG ERA
2014	Member of the Academia Europaea, UK
2014-2016	Delegate of the Italian National Research Council for the Italy's Life Science Cluster "Alisei"
Since 2014	Member of the Advisory Board of the Italian Association for Cancer Research (ARC)
2016 Nov 2016	Co-chair of the FET Flagships Board of Funders (BoF), 1-122020
2016	Member of the Working Group for the bilateral research program Italy-Slovenia
- 2022	Participant at the "High-Level Round Table discussion" on "Future FET Flagships" by invitation of the European Commissioner G.H. Oettinger
2017	Member of the Selection Committee for the "FIRC Guido Venosta" 2016 award
2017	Elected Member of the Steering Committee of the Italy's Life Science Cluster "Alisei"
2018	Keynote lecture at "Third Annual Lipids@Wayne Symposium", Wayne State University, Detroit, USA
2018-2021	EMBO Keynote Lecture at the "Bioactive Lipids in Cancer, Inflammation and Related Diseases: 15th International Conference", Puerto Vallarta, Mexico
2019	Member of the Scientific Committee of the "Chiara D'Onofrio" Foundation
2021	Member of the Board of Trustees of the Foundation Biology for Medicine (BioForME)
2021	Member of the Scientific Committee of the project "SISCO co-DEsign for Society in Innovation and Science", 1-122020
2021	9th Arturo Falaschi lecture on "PARP12-dependent mono-ADP-ribosylation controls specific membrane transport routes", Institute of Molecular Genetics, Pavia
Since May 2021	EMBO Keynote Lecture at the the LVII Conference of the "Argentine Society for Research in Biochemistry and Molecular Biology" (SAIB)
Since October 2021	Invited Main Lecture at the BioForo Meeting of the University of the Basque Country on "Biological Membranes", Bilbao (Spain)
Since February 2022	In charge by the CNR for the development of a strategic plan aiming at the coordination of the European Research Infrastructure in Life Sciences of the ESFRI map and of the National Infrastructures (CENCO: the National Coordination Center for Research Infrastructures in the Life Sciences sector)
Memberships	Member of the Science Advisory Committee (SAC) of the Research Infrastructure (RI) ISIS@MACH ITALIA
	Member of the Steering Committee and of the Stakeholder Board for the government of EBRAINS, the European Research Infrastructure created by the EU Human Brain Project
Organisational/managerial skills	Permanent, elected member of the European Molecular Biology Organization (EMBO)
	Elected Member of the Academia Europaea
	American Association for Cancer Research (AACR)
	American Society of Cell Biology (ASCB)
	Italian Association of Cell Biology and Development (ABCD)
	2002 European Life Scientists Organization (ELSO)
	European Thyroid Association (ETA)
	2003-2016 Federation of the European Biochemical Societies (FEBS)
	Italian Society of Biochemistry (SIB)
	2004 To Date The Italian Society of Biophysics and Molecular Biology (SIBBM).
2005 To Date	
2008-2014	
2009	Panels & evaluation committees
2009	Member of the Expert Panel 'Baseline Assessment of the Public Research System in Ireland in the areas of Information & Communication Technologies and Biotechnology, Ireland
2010	Member of the evaluation panel of the Research Councils for Biosciences and Environment (RCBE) and Health (RCH), Academy of Finland, Helsinki, Finland
	Registered referee for the Italian Ministry of Education, University and Research (Abo Revisori, MIUR) Registered referee for Italian Universities
	Member of the European Research Council (ERC) Evaluation Panel, Framework Programme 7, European Commission, Brussels

Member of the Research Quality Review Panel, University College Cork, Cork, Ireland
Chair of the Biological Sciences Evaluation Panel for the Portuguese Foundation for Science and Technology (FCT), Lisbon, Portugal
Member of the Selection Committee for three permanent researcher positions (call n. 11/2009) at the Marine Station "Anton Dohrn" I Naoles. Italv

(ARC)

- | | |
|-----------|---|
| 2009-2017 | Member of the External Advisory Board of the Centro de Investigaciones Biológicas (CIB), Madrid, Spain. |
| 2011-2014 | Member of the Steering Committee of the BIO-IMAGINE Project, FP7-REGPOT-2010-1 , Nencki Institute of Experimental Biology, Warsaw, Poland |

2015	Chair of the External Evaluation Committee for the competition "Strategic proposals 2014" of the Campus Bio-Medico University, Rome
2015	Member of the Evaluation panel for the establishment of a distributed infrastructure for the "Advanced microscopy in the life sciences" in Sweden, Stockholm.
2015 To Date	CNR Representative in the Programme Committee for collaborative activities between CNR and the Luigi Vanvitelli University of Campania, Italy
2016	Member of the Selection Committee for the "FIRC Guido Venosta" 2016 award
2018	Appointed Reviewer for the research programmes of the IRCCS — National Cancer Institute "Regina Elena", Rome, Italy
2018	Chair of the External Evaluation Committee for the "University Strategic projects 2019" call of the Campus Bio-Medico University Hospital, Rome, Italy
2018	Member of the Selection Committee for a permanent researcher position (call n. 366.57 — Cellular and Molecular Biomedicine Strategic Area) at the National Research Council, Rome; Italy
2019	Member of the Selection Committee for a permanent researcher position (call n. 32/2018) at the Marine Station "Anton Dohm", Naples, Italy
2021	Member of the Expert Group of the G6 COVID-19 Task Force, representing the G6 presidents (CNR, CNRS, CSIC, the Helmholtz Association, the Leibniz Association and the Max Planck Society)
2021	Expert, thematic group on "Comprehensive Cancer Infrastructures/ Centres" of the sub-group on Cancer, nominated by the Italian Ministry of University and Research - Mission on Cancer, Horizon Europe
2022	Member of the Selection Committee for a permanent researcher position (call n. 7/2022) at the Marine Station "Anton Dohm", Naples, Italy
Since Nov 2022	Member of the Scientific Council of the HiLIFE Helsinki Institute of Life Science, University of Helsinki, Finland
Since Nov 2022	Member of the APRE Expert Group on "Toward the Horizon Europe MidTerm", Rome, Italy
EuropeJob-related skills	Ad hoc-referee for national and international funding agencies and academies, among others: The French National Cancer Institute (INCa), the European Commission, the Wellcome Trust, the American National Science Foundation, the Academy of Finland, the Israeli Science Foundation, the Dutch Cancer campaign, the European Research Council, the Italian Association for Cancer Research, the MIUR (Italian Ministry of Education, University and Research), the CIVR (MIUR Committee for the Assessment of Research Programmes), MISE (Italian Ministry of Economic Development), the Netherlands Organization for Health Research and Development, the Swiss Cancer League, the Federation of the European Biochemical Societies, the European Molecular Biology Organization.
	Ad hoc-referee for international scientific journals including, among others: Nature Comm., the EMBO J., Proc. Natl. Acad. Sci. USA, EMBO Reports, J. Biol. Chem., Biochem. J., J. Neurochem., FEBS J., BBA, BBA-MCR, Trends Biochem. sci., Cell Immunol., cells, FEBS Letters, Nat. Sci. Rep., CMLS

Editorial assignments

Since 2022	Editorial Board of Kinases and Phosphatases
Since 2021	Editorial Board of Cells
Since 2018	Editorial Board of Nature Scientific Reports
Since 2015	Editorial Board of Cellular Signalling
2008-2020	Advisory Editorial Board of EMBO Journal
2008-2016	Advisory Editorial Board of EMBO Reports
2007-2010	Editorial Board, PathoGenetics
1994-2000	Editorial Board, Oncology reports

Patents

	2000	International patent W020001T00447/EP1332149. "Glycerophosphoinositol derivatives as modulators of cytosolic phospholipase A2".	
	2003	Italian patent on: "Glicerofosfoinositoli, loro derivati e composizioni contenenti gli stessi nella terapia antineoplastica".	
	2007	European patent No 07123370.4. "Method for the isolation and identification of ADP-ribosylated molecules".	
	2012	International patent W02014/053642 AI PTC/EP2013/070728 ITRM2012A000473 "Use of glycerophosphoinositols for the treatment of septic shock"	
	2013	Patent Application PCT/EP2014/060143 ITRM2013A000295 "Method to identify compounds able to

Since 1990		Italian Driving licence category B	
	1997-2023		
Examples from recent years:		International Course and Conference Organization	
	4-8 June 2023	Member of the Organizing/Scientific Committees of several national and international congresses and symposia including, among others, the ELSO, FEBS, EMBO, NATO and IUBMB congresses.	
	8-13 October 2021		
	18-21 May 2021	Main organizer of 18 FEBS and EMBO Advanced Courses on lipid signalling and/or membrane traffic and ADP-ribosylation.	
	20-23 May 2019		
	15-19 October 2018	FEBS Advanced Lecture Course on "PARP2023", Island of Hvar, Croatia.	
	17-19 May 2017	FEBS Advanced Course on "ADP-ribosylation and cellular Stress", Castellammare di Stabia, Naples, Italy	
	21-25 July 2016	FEBS Advanced Course on "PARP21", Barcelona, Spain	
	2-6 June 2014	International Conference on "PARP2019", Budapest, Hungary	
		FEBS Special meeting: "The 2018 Golgi Meeting. Membrane trafficking in cell organization and homeostasis" Sorrento, Naples, (Italy)	
	Since 1986	International Conference on "PARP2017", Budapest (Hungary)	
	26-30 June 2022	The 12th International Congress of Cell Biology (ICCB), Minisymposium on "Mechanisms of intracellular trafficking", Prague, Czech Republic.	
	15 December 2021	EMBO Workshop on "Cellular imaging of lipids" Vico Equense, Naples, Italy.	
	15-16 June 2021		
	1-5 November 2021	Selected Invited Lectures	
	9-11 December 2020	Invited speaker at several national and international congresses. Among others, lectures were delivered at the following meetings:	
	23-28 June 2019	FASEB conference on "NAD+ Metabolism and Signaling" Steamboat Springs, CO, USA	
	20-23 May 2019	The BioForo Meeting on "The fascinating world of biological membranes" in honor of prof.	
	31 Aug -7 sept 2018		
	2-3 July 2018	Felix M. Goni, University of the Basque Country, Bilbao, Spain	
	25-27 June 2018	FASEB virtual conference on "NAD+ Metabolism and Signaling" FASEB, Rockville, MD, USA	
		LVII Conference of the "Argentine Society for Research in Biochemistry and Molecular	

Biology" (SAIB), virtual conference, Argentina

CSHL Virtual Conference on "The PARP Family & ADP-ribosylation" Cold Spring Harbor, NY, USA

FASEB conference on "NAD+ Metabolism and Signaling" Dublin, Ireland

PARP2019 Budapest, Hungary

FEBS Advanced Course on "Lipids dynamics and membrane contact sites" Island of Spetses, Greece

IACC Inaguration Symposium "Cellular coenzymes in health and disease", University College London, U.K.

"GNB 2018 - VI National Congress of Bioengineering" Milano, Italy

Invited Speaker at the Summer School on "Smart Nanomaterials for Drug Delivery", Anacapri, Italy

"Bioactive Lipids in Cancer, Inflammation and Related Diseases: 15th International Conference", Puerto Vallarta, Mexico

International Conference "PARP2017", Budapest, Hungary

Special Interest Symposium on "ADP-ribosylation in signalling events" at the 7th EMBO meeting, Mannheim, Germany

"Third Annual Lipids@Wayne Symposium", Wayne State University, Detroit, USA

Nanyang Technological University, School of Biological Sciences meeting, Singapore
